Year 7 Contributions

Dear Parent/Guardian

There are two types of Contributions:

- General School Contributions
- Subject Materials Levies

**General School Contributions** are voluntary contributions. They are extremely important to the effective running of the teaching and learning programs that we provide at Ashfield Boys High School. The school uses these contributions to purchase additional library books, teaching resources, computer software and hardware to improve the education our students receive.

The Voluntary General School Contribution for Year 7 in 2016 is $70

Plus the below mentioned levies of $182, **totalling $252**. Please note there is a $20 discount if paid by 21 March 2016. Pop Code 046-009

**Subject Materials levies** are used to buy resources used by students in practical classes. These include wood, electronics, paint, food, paper and clay. Materials that are used and consumed in elective classes must be paid for (or provided) by the student, parent or caregiver.
